

Parent welcome handbook

Welcome!

I'm glad you have decided to enroll your child in Learn 'n Play Childcare. The following contract is to be completed and signed by the parent/guardian before care begins. Please read over all policies and fees before signing the contract. We must discuss fees and what services are covered before care begins. You will receive a copy of the signed contract. If you have any questions regarding fees, policies or practices, please feel free to discuss them with Mrs. McGregor.

Please call and let Mrs. McGregor know if your child is going to be absent for any reason. An adult must accompany your child to and from his/her classroom every day. Please leave at least 2 spare outfits in your child's cubby (please label!). Parents must supply diapers, bottles etc.

Toys are not to be brought from home except on specific days. Parents are to supply sheets and blankets for porta-cribs or cots. Please leave a "snug fitting" spare labeled sheet in your child's cubby.

Any changes in address, phone number, employment, etc. must be given to Mrs. McGregor in writing. On snow days, or during other hazardous weather emergencies, the program will try and remain open. Parents will be notified via text, radio, television announcements, or telephone by program staff to pick up their children due to early closing. In the event of other serious weather emergencies, such as tornadoes or hurricanes, staff and children will remain indoors away from windows and doors. First aid staff will be on hand to administer first aid, as needed, until emergency personnel can arrive. Parents will be notified after the immediate danger has passed.

Meals and Snacks

The center will provide 2 meals and a snack, if the parent decides to enroll in the food program. If not then Parents are expected to provide their own meals.

Parent Involvement/Access to Program and Facility

Parents are encouraged to visit their children whenever possible.

Bullying

Bullying can occur through several types of anti-social behaviour. It can be:- PHYSICAL - children can be physically punched, kicked, hit, spat at, etc. VERBAL - Verbal abuse can take the form of name calling etc. EMOTIONAL - A child can be bullied simply by being excluded from discussions/activities or play, with those they believe to be their friends etc. These types of behaviours will not be tolerated. Learn 'n Play Childcare will allow 3 attempts to correct these types of unacceptable behaviour. All efforts will be made to speak with the parents of the children involved to create a more safe environment for those involved. After the third attempt, the aggressor will need to be picked up immediately and their enrollment terminated the day of the 3rd incident. No refund will be issued.

Provisional Enrollment Period

There is no provisional enrollment period.

Withdrawal of Children

Parents must give Mrs. McGregor 30 days' notice when withdrawing their child from the center. All tuition through 30 days remains due. The program will offer the same 30-day courtesy to parents if care for a child must be terminated for any reason. Unless the situation is regarding bullying.

Medication Policies

The Center will administer non-prescription topical medications, diapering creams, teething ointments and sunscreen. All ointments and creams must be brought in their original containers and labeled with your child's name. Learn 'N Play Childcare LLC. will only administer medication with the proper paperwork completed by the parents, which will be provided upon request.

Parent welcome handbook

Administration of medication

The center will only administer emergency medications which include prescribed inhalers and premeasured commercially prepared injectable medication (i.e. Epi-pens, Auvi-Q, etc.), non prescription topical medication and EMERGENCY oral medications (i.e. Benadryl). The parental responsibilities include providing the center the proper medication authorization form, and the medication. The medication administration form must be signed by the authorized prescriber and parent/guardian giving the center authorization to administer the medication. This form is available at the center.

The medication authorization form must include information, such as:

- The child's name, address, and birthdate
- The date the medication order was written
- Medication name, dose and method of administration
- Time to be administered and dates to start and end the medication
- Relevant side effects and prescribers plan for management should they occur
- Notation whether the medication is a controlled drug
- Listing of allergies, if any and reactions or negative interactions with foods or drugs
- Specific instructions from prescriber how medication is to be given
- Name, address, telephone number and signature of authorized prescriber ordering the drug
- Name, address, telephone number, signature and relationship to the child of the parents giving permission for the administration of the drug by a staff member.

Please note that there are many variations of the medication administration form that medical providers have access to. It is the parent's responsibility to ensure the medication administration form clearly states that it is for licensed child care centers. Please understand that your child may not be able to attend if he/she does not have the proper authorization.

All medications must be in their original child resistant safety container and clearly labeled with your child's name, name of prescription, date of prescription, and directions for use. Except for nonprescription medications, premeasured commercially prepared injectable medications (i.e. Epi-pens), glucagon and asthma inhalant medications, all medications will be stored in a locked container and, if directed by a manufacturer, refrigerated. Controlled medications will be stored in accordance with 21a-262-10 of the RCSA. Non-prescription topical medications will be stored away from food and inaccessible to children.

Revised January 2022

Parent welcome handbook

Staff responsibilities include, but are not limited to, ensuring the medication administration form is complete and that the medication being received matches the medication orders and stored as directed.

Learn 'N Play Childcare will keep accurate documentation of all medications administered. Included, but not limited in the documentation are:

- Name, address and DOB of the child
- Name of the medication and dosage Pharmacy name and prescription number
- Name of authorized prescriber
- The date & time the medication was administered
- The dose that was administered
- The level of cooperation of the child
- Any medications errors
- Food and medication allergies
- Signature of the staff administering
- Any comments

Parents will be notified by the Brightwheel app when/if a child has been administered any prescription medication. Staff are trained in the administration of medication by a physician, physician assistant, APRN, or RN and renewed every three years. At no time is an untrained staff allowed to administer prescription medications. All unused or expired medication shall be returned to the parent/ guardian or disposed of if it is not picked up within one week following the termination or the order. The center shall keep a written record of the medications destroyed and shall be signed by both parties.

Diapers, Powder and Wipes

Should also be labeled with a child's name, reminders will be sent home when more of these supplies are needed. Please make sure to read the daily reports which are available via the Brightwheel application, this report will notify you of anything that your child may need.

Children's Mask Requirements:

- Children aged three and older are required to wear face masks during the day. Children whose parent(s) refuse to have their child wear a mask will not be permitted to enroll in the program.
- Children who are newly enrolled or have just turned three within the past two months may work toward mask wearing.
- Children must arrive at the family childcare home with their mask in place covering their nose and mouth. • Children's masks can either be cloth or disposable and must fit comfortably and securely over both the child's nose and mouth. Masks will not be put around the neck or up on the forehead.
- Cloth masks will be sent home for daily laundering and disposable masks must be replaced each day. • Parents are to supply a clean mask every day and a spare mask.
- Parents should provide a labeled Ziploc bag or alternate storage item for individualized mask storage during eating, rest, outdoor play, and mask breaks.
- Children will be permitted to remove their masks while eating, during rest time and during outdoor play. • Children who remove their masks at other times will be gently reminded and supported to replace their mask over their nose and mouth. Children will not be disciplined, excluded, or isolated due to a child's non compliance with mask wearing.
- Children will be encouraged to not touch their eyes, nose and mouth when removing their mask and encouraged not to touch other children's masks.
- Children receiving speech or other related special education services for which the mask would be an interference will be permitted to remove their mask, along with the participating adult, during those activities.
- Children with documented medical conditions, special health care needs, developmental needs, disabilities or special education needs for whom wearing a mask would be contrary to their health, safety or needs will not be required to wear masks.
- Children will be provided intermittent mask breaks when social distancing of 6 feet can be achieved. • In the event your child's mask is forgotten or damaged, a child size face mask (cloth or disposable) will be provided.

Parent welcome handbook

Adult's Mask Requirements:

• Providers, assistants and substitutes are required to wear a mask or face covering while in the program unless doing so would be contrary to their health or safety due to a medical condition documented by a licensed medical practitioner. Household members who are present during business hours and cannot social distance must also wear a face mask.

Rest Time

All children need rest and relaxation time during the day. Rest time will occur shortly after lunchtime. A crib or cot is provided for your child. These are washed and sterilized each week and when soiled. All children are required to bring in their own supplies for nap time. These items include: a crib sheet (a regular crib sheet to fit cots), and a blanket. PLEASE BE SURE TO LABEL ALL ITEMS WITH YOUR CHILD'S NAME. These items must be taken home and laundered on a weekly basis (usually on Friday).

Days and Hours of Operation

The Center is open Monday through Friday, 7 a.m. to 5 p.m., year-round.

The above times and days are flexible. If a parent is going to be late picking up the child, every effort must be made to contact the provider. A late pick up fee of \$50 will be charged for pickup after 5:01 pm. This late fee will be due with the following weeks' tuition.

Tuition payments are to be made monthly, or weekly depending on care, and are due at the beginning of the week or month. Full tuition is due regardless of the amount of days a child is in attendance, including absences due to natural disasters. A \$10 per day late fee will be added, and after 5 days, your child may not return until payment is made in full.

Accepted methods of payment include cash, personal check, money order, cash app \$4learnplaychildcare, venmo or direct deposit. If a personal check is returned due to a lack of funds; the parent/guardian must pay a \$50 returned check fee. If a check is returned more than one time, only cash or money orders will be accepted as payment.

Vacation:

The provider will take two weeks' vacation during the calendar year. When the two weeks have been determined, the center will provide parents with four weeks notice.

Training days:

The center will be closed the last week of the year and the first week of the year for training.

Payments during Holidays, Vacations, and Other absences:

If a parent plans on taking a vacation and the child will not be in care, the provider must be given 4 weeks' notice. Parents are expected to pay during vacations. If payment is not made, the registration process would need to be completed for the child to return.

When a child is ill, the parents are expected to make every effort to give the provider as much notice as possible. Parents are expected to pay if a child is out due to illness.
